Remarketing Surplus Technology for Business & Industry!

e-Waste Recycling Form

Please print, complete and bring this form with you when dropping of equipment for recycling. If you have a large volume to drop off, please call for an appointment first.

All fields are MANDATORY. If e-waste is from a business, we must have company name, otherwise mark N/A. First and last names are required; an initial in place of either is not permitted. Full street address including city and zip code are required; no PO boxes. A valid phone number is needed as the state may verify collection reports at their discretion.

COMPANY:

FIRST: LAST:

STREET:

APT/SUITE: CITY:

ZIP: PH#:

We accept most types of surplus technology equipment. All storage devices are wiped of sensitive data prior to final disposition. For further information, contact us at 805-648-3300.
