Remarketing Surplus Technology for Business & Industry!

e-Waste Recycling Form

Please print, complete and bring this e-Waste Recycling form with you when dropping off equipment.

All fields MANDATORY. If e-waste is from a business, we must have company name, otherwise mark N/A. First and last names are required; an initial in place of either is not permitted. Full street address including city and zip code are required; no PO boxes. A valid phone number is needed as the state may verify collection reports at their discretion.

COMPANY:

FIRST: LAST:

STREET:

APT/STE#: CITY:

ZIP: PHONE#:

TYPE	QUANTITY	WEIGHT
CRT (Monitors and TVs)	List quantity of each type: (Reason for Disposal) Clean Up ___ Damaged ___ Upgrade ___	O F F I C E U S E O N L Y

CPU (Computers and Laptops)		
Printers/Scanners		
Batteries		
Other e-Waste		

We accept most types of surplus technology equipment. All storage devices are wiped of sensitive data prior to final disposition. For further information, contact us at 805-648-3300

*Your signature below certifies that you are presenting e-waste generated from your household or business only.
 If you have collected e-waste from various sources, please attach supporting documentation
 (Business Name, Contact Name, Address & Phone#) for each separate source.
 All items are being released to Recycled Goods, Inc. for recycling and reuse purposes.*
